Updates From Your SD Team

♦ Annual Meetings- Coordinators have reached out regarding annual paperwork and 2021 budgets. Please return these documents ASAP or contact Angie or Stephany to schedule a meeting.

♦ Solana- We made it through the first pay period in Solana! Thank you all again for your hard work and patience as we go through this transition.

Cell phone struggles– We have been notified that some staff are having troubles on a cell phone. Solana suggests the following:
1. Log out after each access
2. Best used in Google Chrome
3. Close all browser history or cache
If you still have questions, Stephany and Angie are available to help as needed.

♦ Vaccine distribution:
We continue to work with the SNCO Health Department and their phased schedule to access COVID-19 vaccines. Several staff have already been able to receive their first dose. We also continue to communicate with the CDDO regarding vaccine distribution to consumers. We will keep you all up to date on vaccine availability.
